

The Deborah Company

There is a company of women that are emerging with the mind for strategy and the strength for leadership. Titles do not impress them ,but action does.

It is time for the Deborah's to change their position . *Judge 4:4-5*
5 And she would sit under the palm tree of Deborah between Ramah and Bethel in the mountains of Ephraim.

NKJV

They would have move from their sitting position , from the Palm trees to the battlefield. Only a

strategy from the Most High God can bring down the Sisera's of this world.

They emerge as deliverers from Zion..

Obadiah 1
21 Deliverers will go up on Mount Zion to govern the mountains of Esau. And the kingdom will be the Lord's.

There leadership has the ability to influence the Jaels of this world to make radical decisions about

their loyalty. Only the Jaels would have the tenacity to peg these Sisera's down.

It is time for the Mothers to rise up in Israel.

Arise women of God and take your positions for the battle is Lord's and the victory is ours.

Woman of Purpose are Title less Leaders

Luke 10.36
Like the good Samaritan , they are called to lead without the title of leadership. Like him they are able to discern their environment and prepare for their purpose. They are not prepared

to walk by oblivious of the happenings around them. They are resourced for the journey with oil ,wine and bandages. Their personal incomes have provided for their resources. They know how to

make personal sacrifice. They are able to put their purpose on the donkey while they walk to the destination. They are able to constantly review their situation to make adjustments.

STRATEGY

Setting SMART Objectives

Objectives (goals) must be:

SPECIFIC

(Quantitative or Qualitative)

MEASURABLE

(How will you know you have achieved this)

ACHIEVABLE

(Not a pie in the sky but a pie on the plate)

REALISTIC / RESOURCEFUL

(Do you have the resources for it)

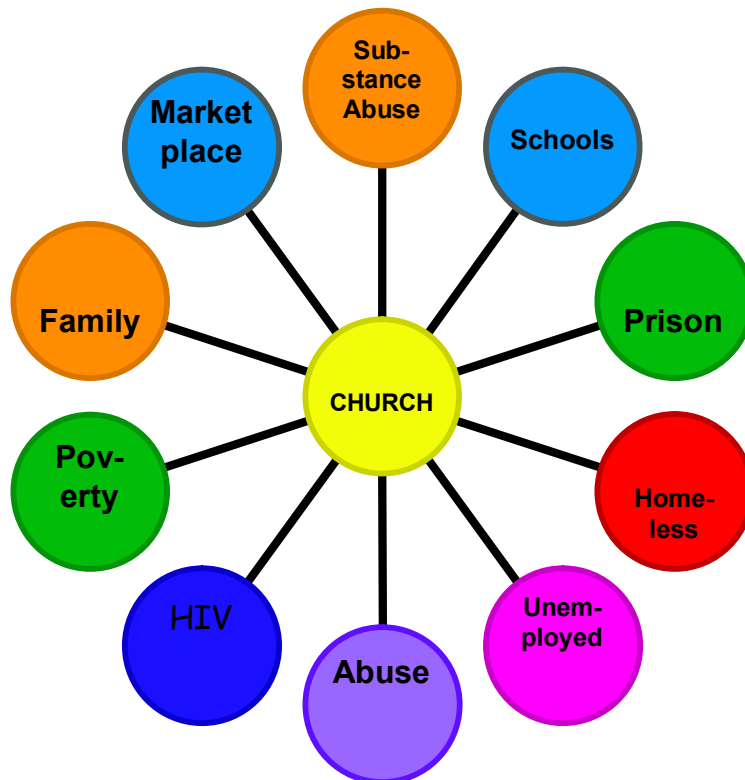

TIMEBOUND

(In what time period will you accomplish this.)

Your goals must be in line with the vision of your local church.

There are illegitimate Gatekeepers in the City

What are you doing about the war at the gates? It is time for women to arise ,strategize and lead the way to eradicate all illegitimate gatekeepers in the City. We will require **precise planning , immediate implementation and regular review.**

Preparation for Rulership

The Greatest treasures of the Earth lie under the African Soil.

Africa is the richest continent and yet the poorest continent on Earth. Africa has produced more than 75% of the worlds diamonds. More than 1.9 billion carats of Diamonds ,that is valued at 158 billion US Dollars. Africa ,through the ages of Colonialism has developed a mindset of Slavery. We have placed chains on our minds , and we will be held back from our positions of rulership if we do not

remove them.

The enemy's strategy is hunger and poverty. Hunger and malnutrition weaken the body and mind and decreases an individuals capability to work. His plan is to get us so weak that we cannot think and work. Up until now this strategy has worked in Africa.

Genesis 1:28 tells us to subdue and dominate. We should subdue principalities and powers of darkness and dominate the Earth. How can we as a people subdue ? The

word subdue in Hebrew is *Ka-bash* which means to put our foot on the enemies neck or to conquer . How do we conquer when the majority of our African People are being conquered. You can only conquer an enemy when you become greater than them . Prov 11:11 tells us that by the blessing of the upright the city is exalted. Economic increase comes to a city when righteousness increases. Reverential Speech , Internal Purity, Good works, *cont.Pg 4*
